

PEKEL

A Sustainable Future

**Construction & Investment
Corporation**

ABOUT US

To adopt a more professional approach and provide tailored solutions through a team of specialists, the **YESTİ GROUP** Board of Directors decided to separate its business lines and continue operations under a new brand. **PEKEL İNŞAAT VE YATIRIM A.Ş.** was therefore established in June 2022 as a **YESTİ GROUP** brand.

OUR VISION

To become a benchmark brand in the industry by delivering the highest value to our customers and combining high-quality, innovative solutions with competitive pricing; to promote environmentally responsible practices in line with sustainability principles; and to maximize customer satisfaction through a strong focus on innovation.

OUR MISSION

With our innovative approach and expert team, our mission is to provide high-quality products and services at competitive prices, remain committed to customer focus, implement environmentally responsible practices, and contribute to the well-being of society.

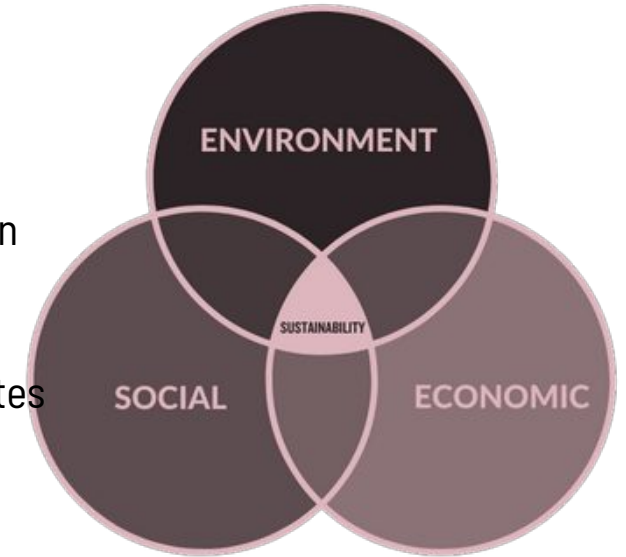

SUSTAINABILITY

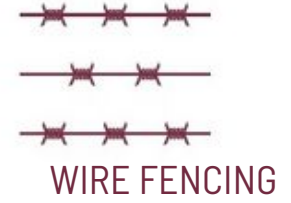

We Develop Sustainable & Environmentally Responsible Solutions

-  Selecting Environmentally Responsible Products
-  Supporting Environmentally Responsible Projects
-  Implementing Energy Consumption Policies in Offices and on Sites
-  Implementing Effective Recycling Plans in Offices and on Sites
-  Reducing Water Consumption
-  Using Reusable Cups, Bottles and Packaging
-  Using Materials Properly to Extend Service Life
